

KIM CRESTANI

Nominated Architect ARB 4630

OVERVIEW

Kim Crestani has over 35 year's experience as an Architect and was a Senior Executive in the NSW Public Sector from 2009 - 2014. In 2009 Kim was appointed to Sydney Metro as Director of Architecture and Station Precincts. Following on at Transport NSW, Kim led the design teams for Inner West Light Rail, Wynyard Walk and Wynyard overstation Development. From 2011 - 2014 Kim was appointed to Transport for NSW as the Principal Manager, Architecture and Station Precincts for the North West Rail Link Project. As part of her on going roles with State and Federal Governments she is a member of the Design Review Panels for Sydney Metro, both Stadiums in Parramatta and Sydney, Westconnex and Cross River Rail in Brisbane. She has recently been appointed to the Western Sydney Airport Design Review Panel.

Since September 2015, Kim has held the position of City Architect at City of Parramatta Council. Kim leads the City Architects Unit at City of Parramatta Council and has led the roll out of 25 design excellence competitions with a value of some \$5 Billion. In February 2019 she was appointed to the prestigious Competition Jury for the International Design Competition for the Powerhouse Precinct at Parramatta. Kim has also been appointed to the Design Excellence Jury for Atlassian's Sydney Headquarters.

In 2006, the RAIA awarded Kim the prestigious Marion Mahony Griffin Award for a Distinctive Body of Architectural Work and to Recognise The Contribution of Women Architects to Architecture in New South Wales and in 2016 she was awarded the UTS Alumni Award for Excellence UTS Design, Architecture and Building Faculty. Kim delivered the Occasional Speakers address in 2016 to UTS Graduates.

Her company was one of only six architectural practices appointed to design the Newington Village for the Sydney Olympics in 2000 and during 2009 Kim was appointed to work in the NSW Premiers office for the NSW Nation Building + Jobs Plan Taskforce.

Kim was also included in the highly acclaimed ABC television series 'In the Mind of the Architect' and has been a guest on Radio National's The Comfort Zone.

Kim has given talks, seminars and workshops at both the AIA and HIA, and contributed at the 'Housing of the Future' Forum in Perth, May 2006. She has spoken in public forums including the Museum of Sydney and delivered a public lecture at the Utzon room of the Sydney Opera House in 2008. She has been published in House and Garden, Vogue Living, Belle, The Sydney Morning Herald, The Australian Weekend Magazine, The Real Estate Journal, Architecture Australia and the Architecture Bulletin.

Kim was a studio design tutor and lecturer at The University of Technology for 7 years and is a guest design lecturer at Sydney University and The University of New South Wales. Kim has also recently contributed presentations to the Architects Registration Board's continuing Professional Education Programmed through eclassroom.
